

One-Day Industrial Training Visit Report **(Faculty)**

Date: 18th October 2023

Venue: Ayurved Sewa Sangh - GMP Certificate Unit, Ganesh Wadi, Panchavati, Nashik.

Introduction and Background:

The training program was meticulously designed to acquaint participants with the operations, protocols, and best practices followed at the GMP Certificate Unit of Ayurved Sewa Sangh. This unit specializes in the production and distribution of high-quality Ayurvedic products adhering to Good Manufacturing Practices (GMP) standards.

Agenda and Curriculum: The training day commenced at 9:00 AM and extended till 5:00 PM.

The sessions were structured as follows

Session 1: Introduction to Ayurvedic Manufacturing Overview of Ayurvedic principles and practices Understanding the significance of GMP in Ayurvedic production

Session 2: Facility Tour Detailed walkthrough of the production facility Explanation of key machinery and processes

Session 3: Quality Control and Assurance Examination of quality checkpoints in the manufacturing process Discussion on quality testing methodologies

Session 4: Regulatory Compliance with local and international regulations documentation and record-keeping practices Session

Session 5: Q&A and Feedback

Interactive session for participants to address queries

Feedback collection to assess the effectiveness of the training program

Key Takeaways:

Participants gained valuable insights into the intricacies of Ayurvedic manufacturing under GMP guidelines. This included an understanding of quality control measures, regulatory compliance, and the importance of maintaining high standards throughout the production process.

Feedback:

The participants expressed high satisfaction with the content and delivery of the training sessions. They particularly appreciated the hands-on experience gained during the facility tour.

Conclusion:

The one-day industrial training at Ayurved Sewa Sangh - GMP Certificate Unit was a highly enriching experience for all involved. It provided a platform for participants to expand their knowledge and skills in the field of Ayurvedic manufacturing under GMP standards. We extend our heartfelt gratitude to the management and staff of Ayurved Sewa Sangh for their warm hospitality and for making this training session a success. We look forward to future collaborations and opportunities for continued learning.

Sincerely,

[Dr. A. B. Darekar]
