PCI CODE: 3453

MSBTE CODE: 1990

2. Objectives of the Visit

- To understand the various stages of pharmaceutical manufacturing.
- To gain insight into Good Manufacturing Practices (GMP) followed in the industry.
- To observe the working of different machinery and equipment used in drug formulation.
- To learn about quality control, packaging, and storage procedures in the pharmaceutical industry.

3. Overview of Koral Pharma

Koral Pharma is a reputed pharmaceutical manufacturing unit specializing in the production of tablets, capsules, syrups, and other formulations. The company follows strict quality control measures and adheres to national and international pharmaceutical standards.

4. Key Highlights of the Visit

During the visit, students were taken on a guided tour of different sections of the plant, including:

- **Raw Material Storage Area** – Understanding how raw materials are procured, stored, and managed.
- **Production Department** – Observing the various stages of drug formulation, including granulation, mixing, compression, and coating of tablets.
- **Quality Control Laboratory** – Learning about analytical techniques used to ensure drug efficacy, purity, and safety.
- **Packaging and Labeling Section** – Understanding the importance of proper packaging and labeling to maintain drug stability and compliance with regulations.
- **Research and Development (R&D) Section** – Gaining insight into innovation, new formulations, and process improvements in pharmaceutical manufacturing.

PCI CODE: 3453

MSBTE CODE: 1990

5. Learning Outcomes

The visit provided the students with a practical understanding of:

- The role of pharmacists in the pharmaceutical industry.
- The importance of maintaining hygiene and safety standards in drug manufacturing.
- The necessity of adherence to regulatory requirements for the production and distribution of medicines.
- Career opportunities available in the pharmaceutical sector.

6. Conclusion

The industrial visit to Koral Pharma was an enriching experience for the students, bridging the gap between theoretical learning and practical application. The visit helped them comprehend the complexities of pharmaceutical manufacturing and quality control. The management and staff of Koral Pharma were highly cooperative and provided valuable insights into the functioning of the industry.

7. Acknowledgment

We extend our heartfelt gratitude to the management of Koral Pharma for their hospitality and for providing a detailed explanation of the pharmaceutical processes. Special thanks to the faculty members and coordinators who organized the visit, ensuring a successful and informative experience for the students.

Subject: Heartfelt Appreciation for the Industrial Visit

Respected Sir,

On behalf of Krantiveer Vasantao Narayanrao Naik Shikshan Prasarak Sanstha's Institute of Pharmaceutical Education and Research, Nashik, and our D. Pharmacy students, we would like to extend our heartfelt gratitude to you and the entire team at Koral Pharma for guiding us during the industrial visit.

Your warm welcome and willingness to share your expertise provided our students with an invaluable learning experience. The visit offered them a deeper understanding of pharmaceutical manufacturing, quality control, and industry best practices, knowledge that goes beyond textbooks and into real-world application.

Your passion for the field and the way you engaged with our students made a lasting impact on them. They were truly inspired by your insights, and we are grateful for the effort you put into making the visit both educational and engaging.

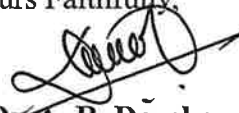

Thank you once again for your generosity, time, and support. We sincerely appreciate your contribution to the growth and development of future pharmacy professionals. We look forward for your continuous support and guidance from you and will glad to have future Industrial visit from your side.

Thank you for your time and consideration
