Summary

The Opportunity to a Pharmaceutical distributor and realities of the Pharmacy profession was a great experience. Additionally, it was helpful for knowledge management in terms of persons ability to manage their social and civic responsibilities as a pharmacist. Mr. Nitin Shinde offered a description of Medicine distributors in terms of ethical, Narcotic, and OTC medication.

The procedure necessary for replacing broken or expired drugs were also followed. Along with the significance of advertisement-based marketing, he also spoke about the management of employees in the pharmacy industry. He also addressed steps in the packaging any medicine order sent out to the cities chemists. There was also a brief discussion of the codes of conduct of business. He provided a brief overview of the chain that went from co-operation to the distributor, and how it arrived at the retail pharmacy where it was then going to patient by the pharmacist. Student were well mannered and disciplined throughout the visit. This visit was arranged for second year D. Pharmacy.

The guiding faculty on site were very supportive for all students. We all benefit and bring positive change in our thinking and practical behaviour regarding education, the detailed account of how to manage the inventory of a Medicine distributor followed by the agreements or forms or license required to open a Pharmaceutical distributor, discussed the audits and paperwork and license required for a pharmacy to run smoothly. We are extremely thankful to Prof. (Dr.) A. B. Darekar (Principal), Prof. A. J. Jadhav (HOD) and all teachers for providing Full-fledge support in all aspects during the entire visit.
