Blood Donation Camp was organized by K.V.N.N.S.P.S'S Institute of Pharmaceutical Education and Research, Nashik Unit, in association with swastik blood centre, Navi Mumbai, on a occasion of World Pharmacist Day, at Pharmacy college campus. Principal Prof. (Dr.)A.B. Darekar, expressed his gratitude towards coordinators of the College and swastik blood centre unit for its continuous endeavor in this regard also encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the society

swastik blood centre Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. units of blood were donated by both students and the staff members of our Institute of Pharmaceutical Education and Research, Nashik. It is a way of IOPER gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our D. Pharm and B. Pharm volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.
