नाशिक : प्रतिनिधी  
देशातीलच नव्हे तर संपूर्ण  
पृथ्वीवरील निसर्गाचा समतोल  
बिघडला आहे याची अनुभूति  
आपण सर्वजण घेत आहोत,  
ग्लोबल वॉर्मिंग हा त्यातील  
एक भाग. मात्र वसुंधव  
कुटुंबकाम या उक्तीप्रमाणे  
मानवाने कृत्य करावे,  
वृक्षारोपण तर करावेच मात्र  
त्याचे संवर्धन सुद्धा करावे  
आणि हीच काळाची गरज  
लक्षात घेऊन किल्ले रामशेज  
वर के.व्ही.एन. नाईक फार्मसी  
महाविद्यालयातर्फे पर्यावरणाचा

वृक्षांची कतल केली जात आहे.  
त्यामुळे नाशिक जिल्ह्याचे वेगवेग  
म्हणून आढळू असलेल्या रामशेज  
किल्ला सर्वनाच सर्वश्रुत आहे. मात्र  
अलीकडच्या वर्षात किल्ल्यावर  
चणवा लागण्याच्या घटना  
घडल्या आहेत. नाशिक येथील

In order to instill environmental awareness among students and society, K.V.N.N.S.P.S's Institute of Pharmaceutical Education and Research, Nashik recently organized a tree plantation drive under Rotract club at a hilly area Ramshej Fort in Nashik. The initiative aimed not only at increasing greenery but also at spreading the message of protecting nature and preserving ecological balance.

The college emphasized that the true essence of patriotism lies not only in saluting the national flag but also in safeguarding the natural environment. Students, teachers, and staff actively participated in the program by planting saplings and taking pledges to care for them about 1500 plants get planted.

The event focused on the importance of trees in reducing global warming, preventing soil erosion, and maintaining biodiversity. The organizers highlighted that awareness programs of this nature inspire responsibility towards nature among the youth.

Hon.Dr.A.B.Darekar Principal KVNNSPS's IoPER Nashik appreciated the efforts of students and staff, stating that such activities not only strengthen environmental consciousness but also contribute to the overall development of students. ### Janeev Club

**Krantiveer Vasantao Narayanrao Naik Shikshan Prasarak Sanstha's Institute of Pharmaceutical Education and Research Janeev Club** had evolved from an environmental project initially undertaken by a group of pharmacy students. The club realized that all environmental and social issues are interconnected, and do not exist in isolation. Thus, it was decided to transform the club with a view to increase its scope by working on social issues as well. In the year 2022, Janeev Club (Marathi: जाणीव, meaning: consciousness) is established as the socio-environmental club of institute.

The club aims at sensitizing students about various social and environmental issues and enhancing their knowledge regarding the same. The club will conduct various activities like lectures and seminars by intellectuals and activists, documentary screenings, classic film screenings, discussions, street plays, awareness campaigns, tree plantation, poetry recitation, etc. The club is open to all, runs democratically and disregards any hierarchical structure for its functioning.
