We at IOPER celebrated this day to show our respect to our nation and to honour the sacrifices and efforts of our freedom fighters and our soldiers. Prof.(Dr.)A.B. Darekar gave his valuable speech on the needs to plant trees. In his speech he mentioned how deforestation is harming the environment and the ill-effects of degradation everywhere in the world and global warming. So, our guests for the occasion were President. Pandharinathji Thore, They along with Principal of the college, Prof.(Dr.)A.B. Darekar, performed the flag hoisting ceremony. The ceremony was followed by their speeches. Our beloved principal sir with pride in his eyes, sang our national song Vande Mataram and swept us all of our feet. After that Prof. G.G.Sangle sang a patriotic song and reminded us all what an honour it is to be an Indian. At the end of ceremony all the attendees looked at "Tiranga" and hailed "Jay Hind" from the top of their lungs. Nearly 50 persons attended the ceremony physically. After the speech, teaching, non-teaching staff and students were given the spades, bucket and plants. Then they planted the saplings in front main and back gate of college premises and watered them. This programme spreads message "PLANT TREES TO SAVE LIVES", "A TREE HAS A THOUSAND LIVES".

They selected the empty places on the road sides to plant saplings in a well-organized way. In order to restore the eco-balance of the afforestation drive was taken. All the participants were highly enthusiastic to make it a big success. The programme came to end with vote of thanks by Prof. Ganesh. G. Sangle. The office staff and other dignitaries appreciated our each and every attempt. This tree plantation programme created a great enthusiasm among the staff and students. At the end of tree plantation programme the staff took oath that they take care of saplings and should not cut tree ruthlessly. "A MAN DOES NOT PLANT A TREE FOR HIMSELF, HE PLANTS IT FOR POSTERITY". The event concluded with snacks for all. The event was also covered in Academic Report.
